Medical Staff

All WISA Residential Camps have a certified athletic trainer on staff 24 hours per-day. Players are responsible for their own medications. HOWEVER, if there is life saving info we need to be aware of, such as diabetes, asthma, severe allergies, PLEASE make note of it on the medical waiver and talk with one of our trainers. The safety of the player is our number one concern!

The coaching staff and medical staff monitor every injury - however minor the injury might be. Even so, some players love camp so much they attempt to "hide" injuries so that they may continue to play. Parents are seldom fooled. If you gain any indication from a visit or a telephone call that your child is more injured or ill than they appear, please call or text Amy ASAP.

EMERGENCY NUMBER –

Parents, if at any time you need to speak to staff please feel free to call or text Amy 704-577-2898.
